2115—PIKES PEAK (ALT. 14,110 FT.)
AMONG THE CLOUDS

One of Colorado's dominant Peaks, abruptly rising from the Eastern plains, known as America's most famous mountain, giving the name Pikes Peak Region to the great area about it, including Colorado Springs, Manitou Springs and suburbs, Ute Pass and all the mountain communities on its flanks.

"C. T. ART-COLORTONE," SANBORN SOUVENIR CO., DENVER, COLO.
